Clarksville, Tenn., April 20.—Our receipts are good and warehouses are filling up, as shipments are quite moderate.

The sales for the week ending to-day were 484 hogsheads. The breaks are grading higher by a much smaller proportion of lugs offering, yet but few hogsheads of leaf appear classing above good medium.

The Bramen buyers appear eacer to buy.

classing above good medium.

The Bremen buyers appear eager to buy, but the sorts suitable for that market are still scarce in the breaks. The early estimates of the crop lugging very lightly are verified, now that so much of the crop has passed from planters' hands. But the "lug famine" predicted will hardly set in before August or September next. We are having excessive raips, which are swelling the water-courses.
